

ICCPE 2021

2021 10th International Conference on Chemical and Process Engineering

Peoples' Friendship University of Russia, Russia | April 28-30, 2021

www.iccpe.org

Topics of interest

Chemical, Environmental, and Process Engineering

Process design and optimization

Nanotechnology

Systematic Methods and Tools for Managing the Complexity

Process control & operations

Advances in computational & numerical methods

Chemistry and Chemical Engineering Fundamentals

Chemical reaction engineering

Energy and environment

More topics, please go to: <http://iccpe.org/cfp.html>

Publication

All accepted and registered full papers will be recommended and published in **international journals** with high quality based on the paper topic.

The journals are indexed by Chemical Abstracts Services (CAS), Ulrich's Periodicals Directory, CABI, DOAJ, etc.
